

## NIFTY SPOT : IMMEDIATE SUPPORT AT 25550-25420

Source – TradingView, BP Equities Research

The benchmark index exhibited a classic dark cloud cover characteristic on Friday, rejecting the higher supply zones near 25,755 to close weak at 25,642, effectively shifting the immediate momentum from buy on dips to cautious. The formation of a bearish candle with a lower high-lower low structure signals that the bears are exerting pressure at higher levels, with the index now testing the critical defense line at the confluence of the 20-day EMA and the horizontal support zone of 25,550–25,580. A breach of 25,579 will likely trigger a slide towards the 25,350 gap-fill zone, while the upside remains capped at 25,760 unless a decisive reversal pattern emerges. Options data corroborates this cautious stance, with significant Call writing observed at the 25,700 and 25,800 strikes, indicating limited upside, while Put writers are tentatively holding the 25,500 base.

Intraday Nifty

Resistance – 25760-25900-26050

Support – 25550-25420-25250

## BANKNIFTY SPOT : IMMEDIATE SUPPORT 59800-59400

Source – TradingView, BP Equities Research

In contrast to the benchmark, the banking index displayed relative strength by forming an inside bar pattern, signaling volatility contraction and potential energy buildup for the next directional move while successfully defending the psychological 60,000 mark on a closing basis. The price action is currently compressing within the 59,800–60,350 range, and while the primary uptrend remains intact, the 59,800 level acts as a critical pivot; a breakdown here would align the index with broader market weakness, whereas a breakout above 60,350 is required to trigger the next leg of the rally towards 60,500. The strategy remains neutral-to-bullish as long as 60,000 holds, a view supported by Options data which shows a straddle-like formation at the 60,000 strike, reflecting the current indecision and the market's wait for a decisive breakout.

Intraday Banknifty

Resistance – 60500-61000-61500

Support – 59800-59400-59000
