

NIFTY SPOT : IMMEDIATE SUPPORT AT 25630-25500

Source – TradingView, BP Equities Research

The benchmark index displayed a resilient recovery session, bouncing from the support confluence to close at 25,694, registering gains of 51 points. Structurally, the index formed a bullish candle with a long lower shadow, indicating that the bears attempted to breach the psychological 25,500 mark but were met with aggressive value buying near the trendline. This price action confirms that the 25,450–25,500 zone has solidified as a rock-solid demand floor, effectively neutralizing the bearish implications of the previous session's dark cloud cover. The index is now attempting to reclaim the 50-day EMA, and a sustained move above the immediate resistance of 25,750 is required to trigger a fresh leg of upside towards 26,000. Options data corroborates this buy on dips sentiment, with aggressive put writing observed at the 25,500 strike, acting as a firm base, while Call writers at 25,800 are keeping a check on the immediate upside.

Intraday Nifty

Resistance – 25750-25900-26050

Support – 25630-25500-25320

BANKNIFTY SPOT : IMMEDIATE SUPPORT 59800-59400

Source – TradingView, BP Equities Research

The banking index continued to demonstrate relative strength and consolidation, closing marginally higher at 60,121. The price action formed a spinning top, characterized by a small real body and shadow on lower side, signaling a temporary equilibrium between buyers and sellers after the recent volatility. Crucially, the index tested the upper boundary of the 50-DMA and staged a smart recovery to close comfortably above the psychological 60,000 mark. This defense of lower levels reinforces the bullish structure, with the 59,600–59,800 zone acting as a pivotal support. The texture remains buy on dips as long as the index sustains above this zone, with an immediate target of 60,500. Options data suggests a tug-of-war at the 60,000 strike, indicating that the market is waiting for a decisive breakout above 60,200 to unleash fresh momentum.

Intraday Banknifty

Resistance –60500-61000-61500

Support –59800-59400-59000
